ABOUT THE TOUR

Kashmir - The Heaven on the Earth, the Great Himalayan Range at the northernmost geographical region of the Indian subcontinent is a Sufi journey that has something to offer to everyone. It is sheltered high in the lush Himalayan range and celebrated throughout the world for its enchanting beauty.

During the winters, Kashmir becomes like a white blanket because it is covered in snow. During the summer, the flowers bloom and it becomes a picturesque canvas of art.

Full of interesting history and painted with culture, the majestic land offers so much to see and do for any traveler. A Shikara Ride in Dal Lake, or exploring the Gulmarg mountain, staying on a houseboat, soaking in the beauty of Pahalgam and Sonmarg, and sitting by the riverside at Thajewas glacier, a hidden gem of Kashmir makes the journey more and more beautiful.
